New! Digital Done-in-Four Webinar Series

Family photos trapped in your computer? Photos scattered from your memory card to your hard drive? Would you love to have a beautiful, completed StoryBook to showcase your favorite memories?

The Digital Done-in-Four Webinar series will guide you through the process of organizing photos and completing a Storybook photobook. This series is FREE and will cover everything from how to organize and edit photos in Memory Manager to creating your StoryBook pages and designing a cover.

Sessions listed are designed to be taken in four consecutive weeks. Access the links below to register for your first session. There are a variety of dates and times available each week.

(All Times Pacific Daylight Time; a high-speed Internet connection is required.)

Start with the Right Tools

Digital Done-in-Four Webinars will use [Memory Manager 2.0](#) and [StoryBook Creator Plus](#) software. For a sneak peek of what you'll be learning, check out the short video, [It's a Digital Life](#).

Save on your first StoryBook photo book when you purchase the [Click-It II Collection](#). Digital Done-in-Four will use every piece from this collection. And as always, your Consultant can assist you in the process of getting your software purchased and installed.
