

*As we manage our product inventory levels, it's possible that some of the planned discontinued products will be depleted prior to Sept. 1, 2009. Watch the Product Hot List on the home page of CMC-Network for the latest updates. We will continue to offer the original 12 x 12, 12 x 10 and 7 x 7 Refill Pages and Page Protectors through Aug. 31, 2009. These items will be available while supplies last starting Sept. 1, 2009.

Power Palette updates

The Fall/Winter Product Catalog will introduce several new ways to shop for Power Palettes, offering more options and simplicity for your customers. As a result, we will be discontinuing some components of the Power Palette Systems to transition to our new options. Check out the [Power Palette FAQ](#) for more details.

No longer available starting Sept. 1, 2009
