

Thank you so much for your interest in Creative Memories' Digital Products. Memory Manager is all you need to manage, organize, backup and edit your photos. Storybook Creator Plus is the best program to create beautiful albums, pages, cards, and so much more. I'm excited to be working with you and look forward to seeing success with all of your pictures!

Please take a quick minute and set up an account on cmphotocenter.com using my CM ID#33052934. Thank you and I will continue to support you with your digital projects.

● **Best Deals for Summer of 2008**

If you haven't purchased Memory Manager or Storybook Creator Plus, please see our digital collection for only \$124. It has a \$180 value and includes Storybook Creator Plus, Memory Manager and our new CD Collection.

If you have purchased our software before, I highly recommend adding our Digital Embellishments CD available this summer. It's \$39.95 which includes 3 sets of vellum expressions and 3 fun digital kits and a \$39.95 promotional code!

● **Digital Predesigned Pages \$7.95 each**

These digital themes have 30 premade pages to make your digital scrapbooking a breeze! Just add your photos and text and you're done. You can use predesigned pages "as is" or move, add or resize objects to fit your taste for each page. The predesigned pages (remember they can be customized) come in 8x8, 11x8½ and 12x12. There are also several *FREE* predesigned pages that you can download from my website (under *free downloadables*)

July 2008 we have available: Mod, Vintage, Candy Cane, Starry Night, Celebration, Earthly, Jewel, Pastel, Primary, Disney and Romance. Everyday and Gazebo in all three sizes comes with the Storybook Creator Plus software.

● **Digital Power™ Palettes \$9.95 & Digital Kits \$7.95 & Digital Power™ Palettes Kits \$7.95**

Digital Power Palettes and kits are like their traditional counterpart – with more creative freedom. They are basic in design and include non-themed papers, stickers and titles. When used with StoryBook Creator Plus, these digital power palettes and kits offer you true digital scrapbooking. These elements can be used anywhere, you can add elements to predesigned pages, or recolor to create a different look. Use the pieces over and over again to create one-of-a-kind StoryBooks or Page Prints. **There are no sizes associated with the Power Palette because you can digitally resize the components to fit your needs** (even cards, postcards, etc). The digital Power Palettes and Kits require StoryBook Creator Plus Software. Since the kits include "virtual" digital papers, stickers, titles and embellishments; you'll never run out of paper and stickers again!

Digital Power Palettes \$9.95 come in: Mod, Vintage, Earthly, Jewel, Pastel, Primary and Romance

Digital Kits \$7.95 in: Candy Cane, Starry Night, Celebration, Christian or, Daily Inspiration, Graduation, Great Escapes

Digital Power Palette Kits \$7.95 in: Disney Vacation, Jewel Vacation, Primary Vacation & Romance Wedding

● **Digital Power™ Palette Additions \$3.95**

Digital Power Palette Additions are like their traditional counterpart – with more creative freedom. These low-priced collections include themed papers, stickers and titles. Use these additions with the coordinating Digital Power Palette, add elements to predesigned pages, or recolor to create a different look. Use the pieces over and over again to create one-of-a-kind StoryBooks or Page Prints. There are no sizes associated with the Additions because you can digitally resize the components to fit your needs. Digital Power Palette Additions require StoryBook Creator Plus Software.

There are several themes in Easter, Spring, Birthday, Summer, Vacation, Zoo, etc. to match the main Power Palettes in Earthly, Jewel, Pastel, Primary, and Disney

● **Digital Enhancements \$5.95**

Download these affordable enhancements to give your digital scrapbook pages a unique look. These digital metal embellishments, overlays, titles and more can be re-sized and re-colored, and will provide you with endless decorating options. Digital Enhancements require StoryBook Creator Plus Software.

Digital Embellishments Office in Gold or Silver. Sewing Room in Primary and Romance. Digital Expressions in Travel. Digital overlays in Floral and Swirl.
