

CREATIVE MEMORIES CROP CLUB

Are you overwhelmed with thinking about all the scrapbooking supplies and tools you'd like to have while trying to stay on a budget? If you do, a Crop Club is perfect for you!!

HOW DOES IT WORK?

By joining a Crop Club, you'll be able to **purchase Creative Memories products over a 6-month period plus receive Hostess Benefits for FREE and reduced-price products during one of those months!** All that is required is for you to agree to purchase at least \$40 retail (plus shipping and tax) in Creative Memories products each month. From September 2009 to February 2010 ** you'll be placed in a group with 5 other club members and then one time during the 6-month period you will be considered the "Hostess" and receive all the Hostess benefits plus receive a 20% discount on your personal purchases during that month and crop for FREE at that month's Friday/Sunday monthly crop and receive a FREE Memory Keepers Club gift at the end of the 6-month period!

HOW DOES THIS BENEFIT YOU?

- Hostess benefits are currently 15% of retail sales, so with the minimum member purchases plus a \$100 bonus retail sale I'll add, **you will be guaranteed at least \$50 in FREE hostess products of your choice during your hostess month!** If you'd like to increase your hostess credits, you're welcome to have your own crop/get-together and/or collect outside orders during your hostess month and for each \$100 in additional orders you will receive another \$15 in FREE products of your choice.
- A **discount of 20%** on your personal purchases during your Hostess Month!
- **Crop for FREE** at a Friday or Sunday monthly crop during your Hostess Month (\$5 value)!
- Each month Creative Memories currently offers a **special reduced-price bundle option** that is available to hostesses, so you will have the option to take advantage of any hostess bundle specials during your hostess month!
- At the end of the 6-month period you'll receive a FREE Memory Keepers Club gift!
- You'll be able to grow your collection of scrapbooking supplies and tools while staying on a budget!

WHEN DO I ORDER?

ON or BEFORE the 15th of each month you can call or email me your order for the month. I will let you know the total for your order and you can mail me the check or provide a debit/credit card number to use for payment of your order. Orders will arrive approximately 1 week later.

HOW DO I GET MY ORDER? Orders may be picked up from me.

To reserve your place in a Crop Club group or for more information please contact me.
