

Creative Memories July/August 2009 Newsletter

I hope you and your family are staying cool this summer and have been able to, or will soon be able to, get away for a relaxing vacation. We traveled to Nashville, TN for a week with the kids and then after just a week at home my 15-year old daughter left for Paris and Europe as a Student Ambassador. I'm sure when she gets back home in mid-July she will have lots of wonderful memories to capture in her albums and the new "teen-line" products that Creative Memories is introducing this month will be perfect for her!! Crop Punch Card

Save money each month while coming to monthly crops by purchasing a Crop Punch card! Each punch card is good for 5 monthly crops (Fri or Sat) in 2009 and is just \$20 -- that's a \$5 savings, thus you're getting 5 crop sessions for the price of 4!! Contact me to purchase your punch card today!

Hostess Rewards

As always, I would welcome the opportunity to share memory preservation with your family and friends at Get-Togethers, Home Classes or Crop Clubs. And, when you host a \$400 qualifying event, not only do you receive 15% in free products of your choice, but you'll also get to **pick one of eight Host Packs for only \$29.95 (retail value \$82.50 - \$110)!** Better yet, host a \$600 event and pick two or host an \$800 event and you pick three (each at the \$29.95 host special price)!!

Online Orders

Need a scrapbooking store at your fingertips 24/7? Don't forget that you can order Creative Memories items anytime from my website, www.mycmsite.com/joyceklein, for direct delivery to your door!

Retiring Products

As Creative Memories continues to streamline their product line, please don't forget to check the [WSL section](#) on my website to keep up on discontinuing products.

Also, as the Original 12x12 album items are being phased out, please be sure to check out the [Retiring/Previous Sizes](#) section on

my website so as not to miss out on ordering any of these items before they're gone. The last items to be retired will be the Original 12x12 page refills and page protectors which are estimated to be available until the end of August 2009. After Sept 1st, these items will only be available until the existing supply is depleted. A good rule of thumb is 3 page refills and protectors for each Original 12x12 album that you have left. I'll try to keep these items on-hand, so if you're needing any of these original-sized items, please let me know so I can be sure to have plenty on-hand!
