

Power Layout Jumbo Circles (JC)

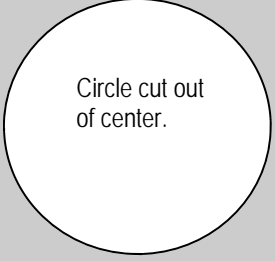

Tip: When using a 12x12 printed background, use JC pattern on paper and then flip circle to show the other side.

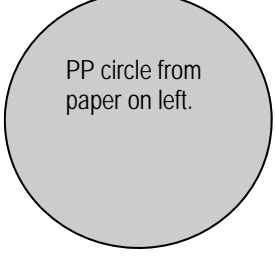

Tip: Try offsetting the circle so 3/4 is on one page and 1/4 is on the other page.

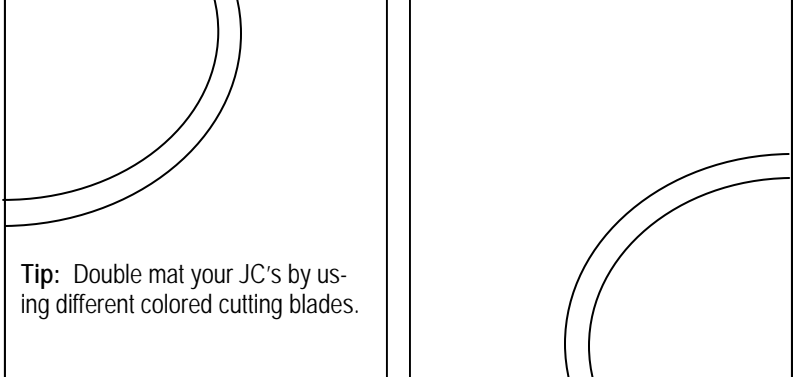

Power palette paper

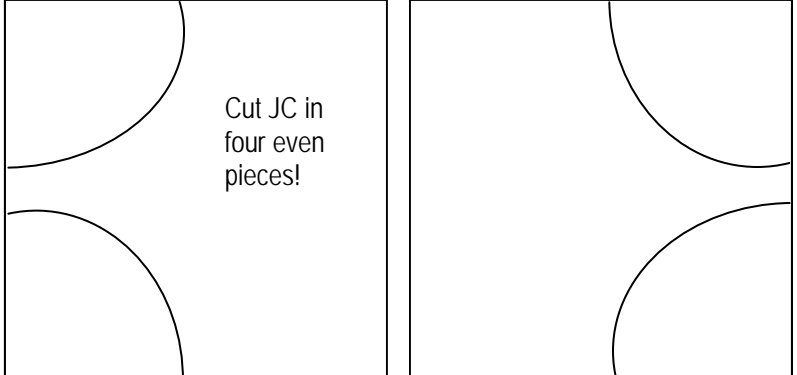

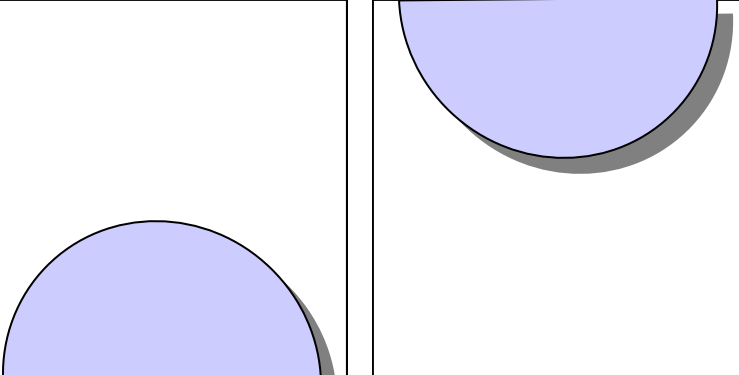

Circle cut out of center.

PP circle from paper on left.

Tip: Double mat your JC's by using different colored cutting blades.

Cut JC in four even pieces!
